MEMORANDUM FOR: Assistant to the Director
[redacted]
Executive Secretary, USIB

25X1

SUBJECT : Memorandum to the USIB

1. The memorandum to the USIB is now considered as approved in its present form. The memorandum to Mr. Gordon Gray was dated 20 March so the first page was retyped in order to reflect a current date.
2. In reference to Mr. Hitchcock's memorandum recommending that DCID 11/2 be referred to the Security Committee for revision, I discussed this with General Cabell and it was agreed that this would be accomplished through a separate memorandum to the USIB. This memorandum is now being prepared and need not be considered a part of the "Boulder" report to the USIB.
3. Attached are extra copies of the first pages of the memoranda to the USIB and Gordon Gray in case you need such for your files.
